2. INTRODUCTION

The National Board of Examinations is an autonomous organization established by the Ministry of Health and Family Welfare, Govt. of India.

The prime objective of NBE is to conduct high uniform standard of Postgraduate and Post-doctoral examinations in various disciplines of modern medicine and allied sciences on an all India basis leading to the award of Diplomate of National Board/Fellow of National Board. The emphasis is on evaluating professional ability and practical application of sound theoretical knowledge in the practice of the specialty a candidate is certified in.

❖ OBJECTIVES OF FELLOWSHIP PROGRAMME :

1. To facilitate and encourage our young post-graduates aspiring to learn skills and competencies in their area of interest.
2. To provide highest quality of specialty services comparable to any country in the world.
3. To recognize “Centre(s) of Excellence” and to identify experts in various sub-specialties and allied sciences.
4. To create a forum for high level scientific interaction between expert groups.
5. To facilitate and encourage our young post-graduates aspiring to provide higher level of specialized services in the country.
6. To prevent brain drain of qualified medical professionals leaving our country for further academic achievements.
7. To improve and promote the existing medical institutions in India to perform high professional services in various fields.
8. To promote medical research and Innovations in the country.
9. To conduct evaluation by appropriate mechanism for assessment of training programme before certification as specialist by the National Board of Examinations.
